

## 23rd Annual Conference

Hosted by:

Fire Chiefs' Association of Broward County,  
Broward EMS Council, and Memorial Healthcare  
System

## Stronger Together

*Promoting & Advocating Patient-Benefitting Collaborations  
Across EMS Agencies & Their Receiving Facilities*

June 3<sup>rd</sup> – 6<sup>th</sup>, 2019

Bonaventure Resort & Spa

250 Racquet Club Road, Weston FL 33326

## **Accreditation**

Memorial Healthcare System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Credit:** Memorial Healthcare System designates this live activity for a maximum of 5 *AMA PRA Category 1 Credits*<sup>™</sup>. (Day 4) Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Memorial Healthcare System is an approved provider of Nursing and Respiratory Therapy**

Continuing Education, CE Broker Provider # 50-1317. Contact hours will be awarded based on attendance each day (maximum 17 hours). Day 2 (6) contact hours;

Day 3 (5) contact hours or (6) contact hours for CEN review day 2 and Day 4 (5) contact hours.

MRH- Nursing Education is an approved Provider of **EMS Continuing Education**, Florida CE Broker Provider #50-18379. This program has been approved for a maximum of **12** contact hours; Day 3 (6) contact hours; Day 4 (6) contact hours

### **Educational Objectives:**

At the completion of this symposium the participants should be able to:

1. Recount some of the considerations and recommendations that help to create patient-oriented collaborations across EMS agencies, public safety teams and various EMS receiving facilities.
2. Recite some of the community programs that can improve life-saving in both cardiac and traumatic events.
3. Describe the new orientation on intracranial pressure management to save lives and improve neurological outcomes in patients with cardiac arrest.
4. Comprehend the problems of confounding variables that affect study outcomes and, in turn, mislead practice protocols.
5. Detail some of the evolving considerations in active assailant events that have changed our thoughts about triage and collaborations and preparations shared by EMS and in-hospital personnel.
6. Describe several evolving strategies for efficiently managing cardiac arrest, stroke and STEMI patients in choreographed team approach.
7. Relate some of the priorities for EMS systems provided by thought leaders in EMS from across the nation.

---

# DISCLOSURES

---

In accordance with the Standards for Commercial Support issued by the Accreditation Council for Continuing Medical Education (ACCME), Memorial Healthcare System resolves all conflicts of interest to ensure CME activities are free of commercial bias.
