

## **Continuing Education Credit Guidance for MIH Sustainability Workshop 2025:**

To receive CE for attending this workshop, please follow these steps:

1. Use the QR Code when entering sessions of the MIH/CP Workshop, you may receive a certificate of attendance via email.
2. Use the attached letter to request your medical director approve CE for attendance
3. If approved, submit your attendance certificate and medical director approval to your agency to credit your hours and/or to IBSC for CP Certification CE credit.

To EMS Agency Medical Director:

Your agency personnel recently attended the First There, First Care MIH Sustainability Workshop June 10-11, 2025 at the Seminole Hard Rock Conference Center in Hollywood, Florida. As part of their attendance, they completed learning activities equaling 10 hours. This letter provides objectives and contact hours. If you deem appropriate, please consider approving your requesting personnel for continuing education credit towards their EMT or Paramedic certification in the State of Florida and/or IBSC Community Paramedic certification. The requesting personnel have been notified it is their responsibility to submit any continuing education approved by you to your agency following your training division policies and operating guidelines.
