

2022
K2 Nursing Competition

Nursing Team Information

25th Anniversary

First There First Care & Gathering of Eagles Conference

"Honoring the Past, Connecting the Present, Developing the Future"

June 13, 2022 – June 17, 2022

Nursing Team Competition Eligibility:

Each team will be composed of three (3) nurses who must function in the hospital setting. Nurses must work for the hospital they are competing with. One (1) team member must be the team captain. Each team may have one (1) alternate as a fourth member who may observe but not participate in the scenario during the competition.

Grading Criteria:

Scenario grading is based upon, but not limited to the most current editions of the following references as of January 1, 2022:

1. Lippincott, Nursing 2022 Drug Handbook
2. 2020 American Heart Association (AHA) Guidelines
3. Advance Cardiac Life Support, AHA Guidelines
4. Pediatric Advanced Life Support, AHA Guidelines
5. Trauma Nurse Core Course, 8th Edition
6. Emergency Nurse Pediatric Course, 5th Edition
7. U.S. Standards for weights and measures as stated in reference material
8. Introduction to Incident Command System ICS 100, ICS 200 & ICS 700
9. HazMat for Hospital Operations, OSHA CFR 1910.120

Equipment: General Guidelines

All equipment and supplies used for the competition will be inspected upon arrival at the staging area. All competitors must adhere to the following equipment guidelines:

1. Each team member is encouraged to wear his/her agency uniform or other identifying clothing.
2. All team members will be required to adhere to the COVID PPE requirements (see COVID precaution section). Facemasks will be required at all times except where noted by all team members in the competition area and during the scenario.
3. All team members will be allowed to use their own stethoscope, gloves, goggles, pocket masks, scissors and other personal protective equipment (PPE). *Other PPE must be approved prior to the competition start date (6/1/22).* The total number of carry-in equipment (bag / box / backpack) may not exceed **One (1) per person**. Individual fanny packs, containing gloves, pocket mask, scissors, may be worn and will be counted as a carry-in equipment. If any equipment other than what is previously listed or not approved PPE is found in a fanny pack, it will be removed prior to the competition.
4. The alternate team member will not be allowed to carry any equipment in to the scenario that will be used by the team during the competition.

25th Anniversary First There First Care & Gathering of Eagles Conference *"Honoring the Past, Connecting the Present, Developing the Future"* June 13, 2022 – June 17, 2022

5. Teams must provide for safe and appropriate disposal of their sharps. Improper disposal will result in a deduction in points (amount listed on the scoring sheets).
6. Each team member must have their own equipment. Sharing of equipment will not be permitted.
7. No mechanical CPR, ventilation devices, or automatic BP cuffs, will be permitted.
8. No charts, drug cards, rulers, measuring or counting devices, or calculators will be allowed except for a length-based pediatric resuscitation tape.
9. No computers, PDA's, pagers, radios, cell telephones and/or smart watches will be allowed while sequestered. These items will be collected upon sequestering and returned at the end of the competition. We encourage you to leave these items in your personal vehicle.

Equipment: *Provided by the Nursing Competition Committee*

The following equipment will be available at each scenario station for use by the competitors.

1. Complete Emergency Room set up will be provided.
Examples include but not limited to; Heart monitor, Defibrillator, Pulse Oximeter, Glucometer, Thermometer (electronic), ETCO₂, Oxygen, Laryngoscope, and Suction.

Equipment: *Configuration Guidelines*

1. Drug boxes may contain medications of sufficient type and quantity to manage a scenario based upon the references listed in this document.
2. Actual drug solutions may not be present; however, bags, syringes or vials may be filled with water or other safe solutions in the correct quantity and clearly labeled with **name, volume, and concentrations.**
3. All IV supplies and solutions must remain in their original packaging.

Equipment: *Simulating Equipment*

1. All simulated equipment will be clearly marked as to its intended use. If **simulated equipment is used, it will be of comparable size and shape to the actual device.**

25th Anniversary

First There First Care & Gathering of Eagles Conference

"Honoring the Past, Connecting the Present, Developing the Future"

June 13, 2022 – June 17, 2022

Video Taping:

Videotaping of your team's scenario will be allowed but must be done by the alternate (4th) team member. **Videotapes will not be allowed as a basis for a judging challenge.**

Body Substance Isolation Defined:

Throughout the competition, body substance isolation (BSI) devices should be used as appropriate and as designed. **Failure to utilize safety devices as designed will result in a loss of points.** Additional precautions could be required based on a particular scenario.

Sharps disposal will be considered appropriate if performed in a manner that does not expose team members or other people to any potential danger and does not contaminate other equipment (i.e. one-handed recapping or disposal into a sharps container).

Scenario Performance:

1. Teams will be afforded sufficient time prior to their patient arrival. While the patient is in route to the scenario, teams should be collecting their thoughts and don necessary equipment.
2. **Procedures must be performed in as realistic manner as possible and in real time.**
3. Team members will receive information and feedback from a clearly defined Feedback Judge. A Feedback Judge will be linked to a specific patient. Scoring Judges will not converse with you and will be assigned to a specific patient. Each scenario will have a clearly defined Lead Judge who will provide information if needed.
4. During patient assessment, examination elements will only be scored when **verbalized and simultaneously performed** in real time for the judge. Physical exams that are not clearly verbalized will not elicit a response from the Feedback Judge or the patient.
5. Competitors may request appropriate back-up personnel as deemed necessary. You will be advised at the time of the request of the availability of these resources and their arrival time frames.

Judging:

All decisions made by the competition committee and competition judges are final. Remember we are here to learn first and ready ourselves for the Nursing competition year second.

25th Anniversary
First There First Care & Gathering of Eagles Conference
"Honoring the Past, Connecting the Present, Developing the Future"
June 13, 2022 – June 17, 2022

Competition Awards:

1. Final Scenario

Only 10 Nursing Teams will compete. If there are 10 teams, the top 5 teams will be announced in no specific order and will compete in a final scenario on a day 2. If 5 or less teams compete, an announcement of the 1st, 2nd and 3rd place awards in not specific order will be announced following day 1 of the Nursing Competition and there will be no final scenario (day 2). Overall, the winners will be announced after the ALS Competition Final Scenario. Location and time to be determined.

Behavior Code:

1. If it is discovered that any team member does not work for the hospital which they are competing, the team will be disqualified from the Competition and all Competition awards or prizes. The team will also forfeit all registration fees for the First There First Care Conference.
2. The Team Captain will be personally responsible for the behavior of all members from his/her service. If any member of the competing team is asked to leave a public area or hotel room for aggressive or disorderly behavior by the staff of the hotel, FTFC Competition security or K2 Nursing Competition administrative personnel, then that entire team will be asked to leave. The team will be disqualified from the Competition and all Competition awards or prizes. The team will also forfeit all registration fees for the First There First Care Conference.
3. Team members will be responsible for the behavior of any guest brought to the Competition.
4. Team members will be personally responsible for their individual behavior, within socially acceptable parameters.

Disqualification:

The Nursing Competition Co-Chairs along with the First There First Care Committee Chair reserve the right to disqualify any team for any behavior or actions deemed inappropriate and un-sportsman like; this includes evidence of unethical actions, both during and after the Competition.

25th Anniversary

First There First Care & Gathering of Eagles Conference

"Honoring the Past, Connecting the Present, Developing the Future"

June 13, 2022 – June 17, 2022

Health & Safety Precautions:

All attendees to the 2022 First There, First Care/Gathering of Eagles Conference must acknowledge that they will adhere to all COVID safety precautions and requirements as set forth by the State of Florida, Broward County and the Seminole Hard Rock Hotel and Casino. Please be aware that these precautions may be modified as the dates draw closer. First There First Care/Gathering of Eagles personnel will be available on site to answer any questions or provide additional clarification.

All teams, judges and actors will report to the designated check in area at assigned times. All participants (including actors and judges) will be required to be screened prior to entering the competition. Screening will comprise of temperature checks along with a questionnaire. Any participant that refuses the screening process or fails any part of the process will not be allowed entry into the competition. Team equipment will be sprayed with disinfectant prior to entering the competition. After screening all competitors, judges, actors and helpers will receive a wrist band to designate they have completed the screening process which they must maintain throughout the day.

All team members, judges and actors will wear facial coverings at all times. Hand sanitizer will be provided in each scenario area. All participants in the given area will be required to use the hand sanitizer before and after each team enters and exit the specific area. The scenario area and equipment will be sprayed with disinfectant after each team.

Only registered team members will be allowed in the competition area. No public viewing will be allowed. This will limit the possibility of exposure. Judges and actors will be limited to their scenario only, no entering a scenario that you are not assigned to. A complete roster of who is in each scenario will be maintained by the lead judge in that scenario. This will be used for contact purposes if an exposure is reported. Team, judges and actors are to notify the committee if they develop any COVID 19 or influenza like illness symptoms within 14 days after the competition.

The award ceremony will take place at a location TBA and additional rules/social distancing may apply.
